COVID-19 PUBLIC HEALTH NOTICE

June 21, 2022 – Swinomish Public Health has confirmed **19 new cases** of COVID-19 in the community since the last update Tuesday, June 14. **Total cases: 1,016**

After rigorous study, the FDA and CDC have authorized COVID-19 vaccine for kids 6 months and up. This is a huge step in our efforts to prevent the spread of COVID-19, and protect our youth. Data shows that COVID-19 vaccines for kids are not only effective they are safe and adverse events are rare. COVID-19 vaccines continue to undergo the most intensive safety monitoring in United States history.

You can protect your family and community by ensuring your children are vaccinated. Bring your youth ages 6 months to 11 years to the Swinomish Medical Clinic for their first dose of the Pfizer vaccine this Thursday, June 23 between 9-11 a.m. or 3-5 p.m.

To celebrate, clinic staff will have gifts and raffles!
